### \*\*\* A MESSAGE FROM NOEL \*\*\*

*The church is not the only community of people unable to gather to worship and celebrate - Anzac Day could not be commemorated on 25 April as it has done so since 1919! It was a very difficult time for so many people who look forward to the day every year to remember those who gave their lives in the service of Australia.*

*Every Anzac Day Australians gathered in small towns, cities and communities with the common goal to give thanks and to honour with remembrance those who have died as a result of war. I hope that you were able to make your own offering at this time.*

*I was joined by three of my immediate neighbours as we stood in the driveway at 6am with our lights in the darkness and a lone trumpeter playing the Last Post in the distance. A simple but moving expression of tribute.*

### The Anzac Prayer

*God of love and liberty, we bring our thanks today for the peace and security we enjoy. We remember those who in time of war faithfully served their country. We pray for their families and for ourselves, whose freedom was won at such a cost. Make us a people zealous for peace, and hasten the day when nation shall not lift up sword against nation neither learn war any more. We pray in the name as the one who gave his life for the sake of the world: Jesus Christ, our Redeemer. Amen*

### NEW ANGLICAN CHURCH PRIMATE

Archbishop Geoffrey Smith of Adelaide took office as Australia's new Anglican Church Primate on April 7. Archbishop Smith takes over from Melbourne's Archbishop Philip Freier who is a great supporter of Holy Trinity and has visited us on various occasions.

*God of the present moment,  
God who in Jesus stills the storm  
And soothes the frantic heart;  
Bring help and courage to all of us  
As we wait in uncertainty.  
Bring hope that you will make us the  
equal  
Of whatever lies ahead.  
Bring us courage to endure  
What cannot be avoided,  
For your will is health and wholeness;  
You are God, and we need you.
