A MESSAGE FROM NOEL

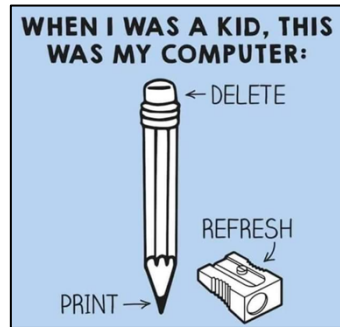

'With the planned easing of restrictions I was hopeful that we would be able to open the church for Sunday Service later in July, BUT, with the latest outbreak of cases of corona19 and the return to more stringent restrictions as from last Monday that does not seem to be likely.

Added to that as I live in Sunbury in the municipality of Hume one of the high-risk Local Government areas, it means that I am subject to the lockdown and travel restrictions that prevent me from driving to Port Melbourne as I have been doing these past weeks. As a result I will work from home until further notice.

I have been endeavouring to make contact with as many of you as possible during this time of isolation and will continue to do so. Can I ask you to let me know how you are managing and how you are feeling during this unusual time. Send me an email, a text, a letter or post card or a phone call as I believe we need to keep in touch as a faith community - physically separated but spiritually as one'.
